

Special Events

OTHER WAYS I CAN SUPPORT ACHS

Volunteering

There is much going on at ACHS, and we can always use a hand. If you have a talent and would like to offer it to ACHS, please let us know by calling 444.8216.

Serving on the Board of Directors

Our Board of Directors is comprised of members of the community who volunteer to serve 3 year terms and then some. More than 50% of our board members are patients, making this truly a consumer board. They govern the ACHS organization. If you would be interested in serving on our board, please contact Ed Shanshala, ACHS CEO at 444.8223.

Should you need more information about ways to support ACHS, please contact the Community Relations Director at 603.444.8216.

Thank you for your interest in supporting Ammonoosuc Community Health Services. In today's challenging economic times, your support is needed now more than ever.

Giving comes in many ways. Your donations are vital in helping us meet our mission of providing high quality, affordable, primary preventive health care to all regardless of social or economic status in a fiscally responsible manner.

We are very grateful for the long standing support we have received from our friends in the community. With the help of your contributions, we can continue to provide the highest level of health care possible - and all so close to home.

Sponsoring events and serving on our Board of Directors are also invaluable ways to give to ACHS and key to the success of our organization.

WHAT ARE THE DIFFERENT WAYS I CAN MAKE A GIFT?

Easiest Way

Secure online giving by credit card.
(Coming soon to www.ammonoosuc.org.)

Cash

Gifts can be made by cash, check or credit card and mailed to the Community Relations Director at Ammonoosuc Community Health Services.

Securities

The benefits of a gift of securities are two-fold. The full market value of the asset is usually tax deductible and capital gains taxes may be avoided.

Tangible Assets, Real Estate, Personal Property

Assets of real estate and other personal property can be contributed as provided by law.

Bequest (through your will)

A bequest is a gift that comes to ACHS upon your death. It is flexible in that your will can be augmented or revised at any time during your lifetime. A bequest is fully deductible for estate tax purposes. A bequest can take many forms:

- A specific dollar amount
- Specified assets, such as securities, real estate or tangible personal property
- Retirement Account Assets
- A residuary bequest in which ACHS receives all or a percentage of the remainder of your estate
- A contingent bequest in which ACHS becomes the beneficiary in the event the named beneficiary is unable to accept the bequest

WHAT ARE THE DIFFERENT PROGRAMS I CAN DONATE TO?

Annual Appeal

Your support will go to where it is most needed. Unrestricted giving allows ACHS the greatest flexibility in directing funds to areas with the greatest need.

Restricted Gifts

A gift can be designated towards a specific program or area that has special interest or meaning for the donor.

- Behavioral Health
- Oral Health
- Hospice & Palliative Care

Capital/Facility Improvements

Monies will be directed towards capital equipment or building needs.

Memorial or Honorarium Gifts

Gifts can be made in memory or in honor of an individual. ACHS will notify the appropriate parties of these types of gifts.

Ammonoosuc Amble

Proceeds from this great family friendly annual event are directed towards funding uninsured and under insured patient care.
