

Since 1975

Founded in 1975, Ammonoosuc Community Health Services is a nonprofit community health center offering a network of quality, affordable primary health services. Our programs promote and support the well-being of individuals and families by emphasizing preventive care and encouraging active participation in one's own health. ACHS serves 26 towns in northern Grafton and southern Coös counties and has sites located in Littleton, Franconia, Whitefield, Warren and Woodsville. We provide comprehensive services, regardless of one's ability to pay, to over 10,000 patients.

ACHS Patient Portal

ACHS provides secure online services through our Patient Portal.

These online services will help us communicate securely, keep your information up to date and give you access to a summary of your medical record 24 hours a day. Once you register as a member of our secure Patient Portal, you will be able to:

- View a summary of your medical record
- Complete pre-appointment forms
- Update your personal information
- Request medication refills
- Ask our front office support staff non-medical questions
- Request non-urgent appointments
- Ask our billing department questions

- Send credit/debit card payments to our billing department
- E-mail your provider

Registering to use the Patient Portal is easy!

You need to request a PIN number in order to register. You can make that request by visiting or calling one of our five convenient locations.

An e-mail will be sent to your home e-mail address which will include your PIN number and the steps for registration. This PIN number will expire in 30 days. If your PIN expires, you can request a new PIN by visiting or calling us and a new PIN number will be e-mailed to you. To ensure your privacy and the security of your medical record, we do not give your PIN number over the phone.

Please register for this free service and contact us with any questions you may have at portal.help@achs-inc.org. We look forward to connecting with you online.
