QUESTIONS, CONCERNS: info@achs-inc.org

Founded in 1975, ACHS is a non-profit Federally Qualified Community Health Center with six sites in Northern New Hampshire. With funding from national, state and local sources we deliver high-quality, affordable health care to nearly 10,000 patients in over 26 area towns and are committed to providing integrated health – Medical, Dental, Behavioral – for the entire family. We serve ALL – and no one is ever turned away for inability to pay.

This health center receives HHS funding and has Federal Public Health Service (PHS) deemed status with respect to certain health or health-related claims, including medical malpractice claims, for itself and its covered individuals.

Embarking on a journey towards happiness and optimal health should be a smooth and rewarding experience. Unfortunately, challenges can sometimes arise, making it difficult to find the right resources. But fear not, for we are here to guide you every step of the way!

Let our team be your guide!

Introducing our exceptional team of Patient Navigators, who are specifically trained to assist patients and their families in navigating the complex healthcare system. They genuinely care about understanding your unique needs and possess the expertise to locate the perfect resources for you. With their support, you'll not only gain access to these invaluable resources but also learn how to utilize them effectively for your well-being.

Patient Navigators play an indispensable role in ensuring timely access to the resources you need. By forming a partnership with patients and families, they actively contribute to achieving better health outcomes for all. Let us join forces and embark on this journey together towards a brighter, healthier future!

Patient Navigators can assist with:

- Medicaid Applications
- Sliding-Fee Applications
- Insurance Marketplace
- Advance Directives & Living Wills
- Financial, Housing, Legal Aid and more.

Just like a reliable compass, ACHS Patient Navigators can guide you to find available resources to help you stay safe and healthy through complicated health care environments.

ACHS Patient Navigators can connect you to services available and will assist you in selecting the right organization for your individual needs. You can find help with the following:

Medicaid & NH Services Applications

If you are unsure if you qualify for Medicaid or what is needed to apply for financial state services. We can help.

Finding Transportation

Need help finding transportation for your medical appointments? We'll help coordinate rides for you.

Advanced Directives & Living Wills

Need an Advanced Directive to let your provider or others know your health care wishes? Need a living will or medical proxy? ACHS can assist and even notarize.

Understanding Insurance Coverage

Our Patient Navigators are Certified Application Counselors (CAC) specializing in understanding options for insurance coverage on the Health Insurance Marketplace.

Affordable Eye Exams & Glasses

Patient Navigators also coordinate the ACHS affordable vision program which works with local optometrists to get you affordable eye exams and glasses.

Food, Legal & Housing Assistance

If you need legal or housing assistance, or are having a hard time with food insecurity, we can help you find resources to help.

Our Patient Navigators help patients access and utilize all available resources. Call 603-444-2464 to get started.

Patient Navigator services are FREE for all ACHS Patients.
